

MINUTES OF A.A.U.P. MEETING

April 11, 1972

Attendance included those whose names appear on the attached list.

The contract was signed last Thursday, April 6, 1972.

Will have to petition for retroactivity because we did not have a contract at the time of the freeze. We do not anticipate trouble. We only have an agreement and still have to write out the full document. They will pick up benefits and pay back those who paid, individually.

Dues Check-off:

New York suggested a cut-off at \$1500-2500 annually. The feeling here is "NO". If a person makes more money, he should pay more. There should be a financial statement. D. Kane should try to make one.

34 people in Old Westbury have not paid their \$35.00. We have had only a small response on past due \$35.00. We are sending out a second letter.

K. Lulla read a statement about the P & B Committee

<u>Faculty Senate</u>	<u>A.A.U.P.</u>
Grievance Committee	P & B
Breach of Contract, etc.	8 members
Academic Freedom	

Motion: Rosenstein - At the A.A.U.P. meeting, a representative should read the minutes and make a report to the membership at appropriate times on pertinent activities.

3 in favor

Otherwise overwhelmingly opposed.

Let's go with the Grievance Committee as is for this year until the A.A.U.P. can work on this.

20 in favor

No one opposed.
